At the end of every session we will use 15 minutes to analyze how this session has gone.
What we liked and what we did not like, what doubts we have, what we would like to do differently, in which learning we would like to deepen. We will make a small summary of what we have learned, all this in an oral form.

Answer the next questionnaire :

1.- Did you like this session?

2.- Did you learn something new?

3.- Did you help or be helped by your peer?

4.- Did you feel well while giving the help needed?

5.- Did you received the help you needed with a positive attitude?

6.-Did you understand the tutorial video?

7.- Did you follow the instuctions easily? If not, what difficulties did you find?

8.- Do you think having your email account it is something useful?

9.- Would you like to know more about how to use it, as writing an email, loading a photo, sharing a file?

10.- Who are you going to send an email?
